

# NITRO SMARTKLEEN™

ROBOTIC POOL CLEANER

## SMART-KLEEN EXCLUSIVE FEATURES

- No Wasted Cleaning Time Spent Climbing Pool Walls**
- Fast, Efficient Floor-Specific Vacuuming & Brushing**
- Designed to be Tough - Engineered to be lightweight**
- Programmed Obstacle Escape Mode**

LITNC22-0111

# NITRO SMARTKLEEN™

ROBOTIC POOL CLEANER

# NITRO SMARTKLEEN™

ROBOTIC POOL CLEANER

**S**mall, but tough and smart, the Smart-Kleen's industrial lightweight design has revolutionized the swimming pool robotic industry. Its ability to maneuver around any shape pool with effective vacuuming and scrubbing power makes the Smart-Kleen an exceptional value through uncompromised innovation.

# NITRO SMARTKLEEN™

## FAST • EFFICIENT • SMART

- *Specifically Programmed for Floor & Cove Vacuuming & Brushing*
- *Designed to Save Time by Not Climbing Pool Walls*
- *Engineered to be a Universal Floor-Specific Robotic Cleaner*
- *Revolutionary Lightweight Design*

### Engineered Specifically to be Easily Removed from Any Pool

Smart-Kleen utilizes the toughest & lightest weight polymers along with our patented "Quick-Drain" system. There is no other robotic cleaner with the integrity and ease of use as SmartPool's Smart-Kleen.

- **AUTOMATIC 3-HR AUTO SHUTOFF!**
- **24-VOLT SAFE!**
- **40' POWER CORD!**

**Uses Far Less Energy Than Any Other Pool Cleaner!**
