T Cell CF Chlorinator Cells

Item #s 190001, 190002 & 190003

Congratulations on your purchase of a new T series Replacement Cell! Cells were designed to meet or exceed original specifications, for optimal performance and reliability. It is the perfect replacement for Hayward Goldline Aqua Rite, AquaLogic, Pro Logic, SwimPure, Mineral Springs, NatureSoft, AquaPlus, LeverEdge Guardian, Blue Essence, H40 systems and more.

I INSTALLATION & OPERATION

- **IMPORTANT:** Always make sure the input power is completely disconnected and all pool equipment is shut off before attempting any service procedures. All service should be performed by a qualified professional.
- Remove the old Cell from the plumbing by loosening the threaded collars on both ends of the cell. Disconnect the cell cord from the control panel.
- Inspect the O-Rings on the plumbing unions. If damaged or worn, replace before installing the new Cell.
- Position the new T series Replacement Cell between the plumbing unions. Tighten the two threaded collars by hand for a water-tight seal, do not over-tighten. Plug the Cell Cord into the control panel.
- Once power is restored to the control panel (concurrently with the pump and filter), the system can now be operated as instructed in the original manufacturer's product manual.

II MAINTENANCE

The T series Replacement Cell operates in the same way as your original cell. As with your prior system, it may occasionally be necessary to remove the mineral deposits which can form inside. Cleaning frequency is entirely dependent on your pool's water chemistry, which depending on environment and chemicals added, can change to become more or less scale forming. Follow the cleaning instructions in the original manufacturer's product manual.

III WARRANTY

T series Replacement Cells carry the following Limited Warranty should failure occur due to faulty manufacture or materials, during normal use and service. For residential use, we warrant to the original purchaser that the equipment shall be free of manufacturer's defects at the time of sale, and upon examination shall provide replacement parts in accordance with the following schedule:

First Year - No charge for parts.

Second Year - No charge for parts.

For Commercial use (any pool that is not for private single-family use, or the use of which is subject to regulation), parts are warranted against defect for a period of one year.

This limited warranty is subject to the following terms, conditions, and exclusions:

1. To obtain the benefits of this warranty, contact the warranty department for troubleshooting.
2. Should a defect in any item or part covered by the warranty become evident during the warranty's term, Products will at its sole discretion repair or replace such item or part. Products reserves the right to replace defective parts with new or refurbished parts. This warranty does not include the cost of labor or transportation charges for equipment or component parts to or from Products, or the removal, reinstallation, or any such costs incurred in obtaining warranty replacements or repair.
3. This warranty extends to the original retail purchaser and original installation site only, beginning at the original date of purchase, and is non-transferrable.

4. The warranty contains the following exclusions. O-Rings, rubber gaskets, electrical fuses, and circuit-breaker components are normal replacement items subject to wear and are excluded from the warranty. Product discoloration, or any other cosmetic or superficial damage or deterioration, regardless of its cause, is not covered by this warranty. The warranty is not applicable to problems arising from circumstances outside the control of products, including, but not limited to the following:
- A. Damage or premature wear due to improper pool chemistry, and failure to maintain pool water chemistry in accordance with the recommendations contained in the owner's manual.
 - B. Damage due to improper installation or connection to improper voltages, including materials and workmanship supplied by others.
 - C. Damage due to negligence or failure to properly maintain equipment, including the maintenance of clean and tight electrical connections.
 - D. Damage due to improper service, as well as unauthorized equipment modifications and use of non-genuine replacement parts.
 - E. Damage due to misapplication, misuse, abuse, or failure to operate equipment as specified in the owner's manual.
 - F. Problems resulting from tampering, accident, fire, flood, freezing, lightning, insects, or other natural elements, or other circumstances beyond the control of products.
 - G. Damage due to over-tightening of threaded components or excessive pressure or stress.

The liability of products shall not exceed the repair or replacement of defective items or parts under the referenced limited warranty terms. There are no implied warranties of merchantability or fitness for a particular purpose that apply to this equipment. Under no circumstances shall products, its agents, employees, and affiliates be liable for any loss, damage, injury, inconvenience or loss of time, incidental expenses such as labor and material charges, or any other incidental, or consequential damages, which may result from the use, installation, removal, or reinstallation of its equipment and parts.

This warranty is valid only in the United States of America. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. This warranty supersedes all previous publications. Any dispute between the original purchaser and products will be settled by binding arbitration, conducted in Harris County, Texas, under the rules of the American Arbitration Association.
