

POOL BLASTER® CX-1 ROBOT

RESIDENTIAL TWO-YEAR LIMITED WARRANTY

This Warranty covers 2 years from the date of purchase

First Year Warranty Coverage: is to the original purchaser of this equipment when used in single family residential application. The limited warranty includes pump and drive motors, Lithium battery(s), charging unit, control panel, electrical cables and repair and installation labor. **Parts covered for 90 days:** The filter bag, brushes, tracks, belts, bushings, and other plastic components require replacement in the ordinary course of use due to normal wear. Therefore, they are covered for 90 days.

Second Year Warranty Coverage: is to the original purchaser of this equipment when used in single family residential application. The original purchaser shall pay 1/2 of the MSRP of the following components. Pump motor and drive motor, Lithium battery(s), charging unit, control panel of this unit. Repair and installation labor is included. **Parts Not Covered:** electrical cables, brushes, tracks, belts, bushings, handles, enclosures, filter bags, wheels and all plastic components.

Maintenance and Long Term Storage: This machine requires maintenance in accordance with the Operator Manual enclosed. Failure to observe this will void the warranty.

For this unit to be covered by this warranty, which you must register this product on Water Tech's website no later than fifteen (15) days after the date of purchase, along with an original or copy of the receipt or sales slip demonstrating the date of purchase.

Throughout the period this Warranty, defects in workmanship or materials with respect to the then-covered parts under normal conditions and normal use: in compliance with the Operator's Manual (including without limitation the preventative maintenance described in such Manual) and in residential pools in the United States of America. Each defect or failure of this unit or any parts of it due to, unauthorized modification, misuse, abuse, neglect, acts of God (such as an earthquake) or accident is excluded from this Warranty. Furthermore, Water Tech recommends (but does not require) that maintenance or repairs be performed only by Water Tech. Improper or incorrectly performed maintenance or repairs (including without limitation the use of defective parts) voids this Warranty. For each part determined by Water Tech to be defective or to have failed under such use and conditions within the Initial Coverage Term or the Additional Coverage Term, as applicable, Water Tech will, at its option, repair or replace such part at no expense to you (provided, however, that you will be responsible for all shipping or transportation costs in connection with transporting this unit to and from Water Tech's Authorized Service Center. In the event of such defect or failure of any such part, the foregoing will be your exclusive remedy.

Limitations: This warranty is in lieu of all other express warranties, obligations or liabilities. All implied warranties, obligations or liabilities including, but not limited to, each implied warranty of merchantability, shall be limited to (3) years, as provided in the warranty. Each action for breach of warranty hereunder, including, but not limited to, breach of implied warranty of merchantability, must be brought within a period of eighteen (18) months from the date of purchase with respect to the initial coverage term and thirty (30) months from such date with respect to the additional coverage term. In no case shall Water Tech be liable for any or all incidental and consequential damages for breach of this or any other warranty express or implied. No agent, representative, dealer or employee of Water Tech has the authority to increase or alter the obligations of this Warranty. This warranty applies only to products purchased and utilized in the 50 United States. By submitting a Warranty claim according to the procedure herein, the customer accepts and acknowledges the foregoing terms, conditions, and limitations of this Warranty.

WARNING: Some vinyl liner patterns are specifically susceptible to rapid surface wear and pattern removal caused by objects coming into direct contact with the vinyl surface, including pool brushes, pool toys, floats, fountains, chlorine dispensers, and automatic pool cleaners. Vinyl liner patterns can be seriously scratched or abraded simply by rubbing the surface with a pool brush. Additionally, ink from the pattern can also rub off during the installation process or when it comes into contact with objects in the pool. Water Tech is not responsible for, and the Limited Warranty does not cover, pattern removal, abrasion or markings on vinyl liners.

To schedule warranty service (and obtain a Return Authorization Number), contact the Water Tech Customer Service Department at (1-800-298-8800) or e-mail: customercare@watertechcorp.com. No warranty service will be provided without a warranty authorization number (RMA) from Water Tech. Return the robot adequately packed, clearly print the RMA number on the outside of the box, and attach a copy of the invoice, including date of purchase, serial number and description of the problem. To review warranty coverage, inquire about technical support or any other service questions, contact the Water Tech Customer Service Department at (1-800-298-8800) or e-mail: customercare@watertechcorp.com. Please save the shipping box to simplify the return of the robot if necessary. You can download a digital version of this warranty at:
