

## PRECAUTIONARY STATEMENTS

**CAUTION. HARMFUL IF SWALLOWED.** Not normally irritating to skin. Irritating to eyes.

## GENERAL INFORMATION

For the most healthful, sparkling, clear water possible use **Water Clarifier Plus** once a week or more often depending on bather load and desired water clarity.

## DIRECTIONS FOR USE

**Note:** After dosing, always allow 24 hours of continuous filtration before further additions.

1. Dilute **Water Clarifier Plus** by adding it to a bucket of pool water.
2. Add to pool by pouring solution around inside perimeter of pool.
3. After 24 hours of continuous filtration, vacuum pool of dead algae and organic material. The average dosage is 1 oz. per 5000 gallons of swimming pool water. Under extreme conditions of turbidity (algae growth, newly filled pools, warm weather, start up, etc.) dose 1 oz. per 2500 gallons.

**Water Clarifier Plus** is compatible with those chemicals normally used to treat pools and effective at both acid and alkaline pH. **Water Clarifier Plus** can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorine products.

## STORAGE AND DISPOSAL

**STORAGE:** Keep container tightly closed. Do not contaminate water, food, or feed by storage or disposal. **CONTAINER DISPOSAL:** Completely empty container of contents. Do not reuse container. Wrap and put in trash.
