

## Pool First Aid

**Available in:**  
2L/67.6oz

**Recommended  
Dosage**  
One capful per/2000  
gallons

### **Pool First Aid...the problem solver!**

Pool First Aid combines powerful concentrated natural enzymes with a fast acting polymer clarifier for quick and easy clean-up of:

- Dead algae
- Pollen
- Oil leaks & hydraulic spills
- Antifreeze residue
- Vandalism
- High organic waste loads

Pool First Aid will quickly free clogged filters of oils and organic build-up. No other product will remove dead algae more quickly and efficiently...in most cases no back washing is required.
