The Right

SAFETY COVER

For Your Backyard!

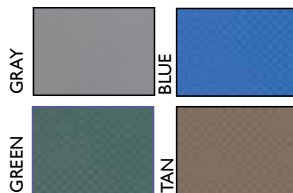

15-Year Solid Safety Covers

If you open your pool in the late spring, have large amounts of leaves and debris in the yard and require the strongest and lightest safety cover available today - this is your cover!

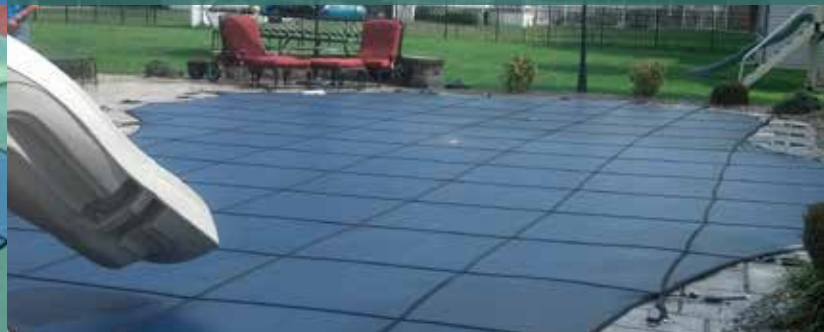

- **Super Light** - 30% lighter weight than competitor's standard solid covers.
- **Super Strong** - 50% more puncture resistant!
- **100% Sunlight Blockage** - no spring time algae growth.
- Comes standard with Kleen-Screen® drain panel. Optional Full Length Sure-Flo™ Drain or Pump in lieu of drain available.
- Available in green, blue, tan and gray.

- **15 year limited warranty.**
- **Meets or exceeds ASTM standards.**
- Secures pool from children, pets and stray animals.

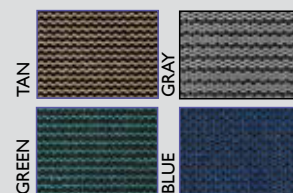

15-Year Mesh Safety Covers

If you open your pool in mid-spring and are looking for the benefits of a solid safety cover without the weight associated with it - this is the cover for you!

- Made from a unique weave of polypropylene mesh that blocks out 98% of the algae producing UV rays, making spring time opening a snap.
- **Tight mesh construction** allows water to drain from surface - filtering out dirt, leaves, debris and sunlight!
- **Light weight** - nearly 50% lighter than standard solid covers.
- **Strong** - Nearly 75% more tensile strength than competitor's standard mesh.

- Available in green, blue, tan and gray.
- **15 Year Limited Warranty.**
- **Meets or exceeds ASTM standards.**
- Secures pool from children, pets and stray animals.

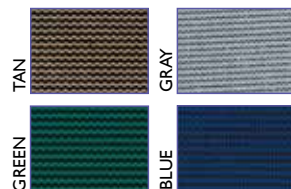

12-Year Mesh Safety Covers

If you open early in the spring, don't have large amounts of leaves or debris in your yard but need security - this is the cover for you!

- Made from durable, long lasting polypropylene mesh fabric.
- **Mesh material eliminates standing water hazard** by allowing water and melting snow to drain through.
- Screens out dirt and debris for easy spring time opening.
- **Tamperproof design** prevents entry without installation rod - installs and removes in minutes.
- Improves the look of your pool in the off season.

- Available in green, blue, tan and gray.
- **12 Year Limited Warranty.**
- **Meets or exceeds ASTM standards.**
- Secures pool from children, pets and stray animals.

10-Year Xtra-Lite Solid Safety Covers

If you are looking for the protection of a solid safety cover but need something light weight and easy to manage - this is the cover for you!

- **Light weight solid** - 7 oz. material for ease of cover installation and removal.
- **100% Sunlight blockage** - the complete barrier from sunlight, dirt and debris.
- Keeps pool clean.
- Constructed with standard mesh drain panel to eliminate standing water.
- **10 Year Limited Warranty.**
- **Meets or exceeds ASTM standards.**
- Secures pool from children, pets and stray animals.

SOLID SAFETY COVER DRAIN SOLUTIONS

1. Patented Kleen-Screen® Drain*

- Filters out ultra fine particles (as small as talcum powder) and still allows water to drain through, ensuring a safe pool in the off season and a clean pool on opening day.

*Not available on 10 Year Solid.

2. New & Improved Sure-Flo™ Full Length Drain

- Created using Sunblock Mesh fabric which increases your surface drainage area while blocking sunlight, dirt and debris from getting into the pool.

3. If you prefer, an automatic cover pump in lieu of a drain is also available. Please ask for details, or specify this on your order form.

MAXIMIZE YOUR PROTECTION

■ All covers are manufactured with the finest materials - using premium UV inhibitors to protect against damage from the sun and pool chemicals... protecting you and your investment year after year.

■ All covers are constructed with heavy duty polypropylene webbing and UV treated polyester thread. Strong enough to support the accidental intrusion of a stray animal or even a small car.

■ **Secur-A-Gap™** provides your cover with the perfect fit around protruding pool elements such as rock features and waterfalls without the loss of security that your safety cover provides.

■ A solution for everything. With standard pools being a thing of the past, solutions have been crafted like wall mount anchors to make covering even the oddest shapes and edges possible.

■ Experiencing excessive wear to your cover? **Protect-A-Cover™** padding is the ideal solution and can be easily added to any existing cover. Comes with clips to be easily attached to the underside of the Safety Cover, ensuring the padding stays in place all winter long.

SAFETY COVER HARDWARE & ACCESSORIES

■ **HD (Heavy Duty) D-Ring Spring, the Standard (8") D-Ring Spring and the Small (5") D-Ring Spring** - each spring is made from sturdy, stainless steel. The attached D-Ring makes for easy adjustments and is used to secure the straps of the safety cover to the anchoring system.

■ **Tired of Losing Your Spring Covers** - All springs come with a patent pending locking toggle to prevent the spring cover from slipping off during cover application and removal.

■ **2" Brass Anchors** - Ideal for resurfaced decks that need longer anchors and are available in lieu of standard anchors.

■ **9" Paver Tubes** - Ideal for loose fitting patio pavers. Comes with brass anchor pre-installed.

■ **Raised Wall Cable Kit** - Comes with everything needed to anchor into a raised wall or rock formation.

■ **Cover Doctors Patch Kits** - Quick At-Home Application Safety Cover Patch Kits are designed to correct holes and tears smaller than 3". Comes with one 8.5" x 11" self-adhesive sheet for easy application and do-it-yourself sizing.
